

Curriculum vitae

Name: Mr. Sittichai Lordkaew

Birth: 8 February 1962

Nakhon Sawan, Thailand

Academic record:

Qualification	Area of concentration	Year	Institution
Ph.D. candidate	Plant Nutrition*	2001-present	Chiang Mai University
M.Sc. (Agriculture)	Soil Science	2000	Chiang Mai University
B.Sc. (Agriculture)	Soil Science	1985	Chiang Mai University

* Thesis title "Boron Deficiency in Maize"

Working experience:

2000- present. Research Scientist at Multiple Cropping Center, Faculty of Agriculture, Chiang Mai University. Thailand.

2003 Training in microstructure (anatomy) in cereal (November- December

2003) at School of Biological Sciences and Biotechnology, Division of

Science and Engineering, Murdoch University, W.A., Perth, Australia

(November-December).

2001-2005. Research Member, Project on Agrodiversity for *in situ* conservation and Management of Thailand's Native Rice Germplasm. Chiang Mai

University, Thailand.

- 1992 Training in Symbiotic Nitrogen Fixation in *Phaseolus vulgare* L. at Institute of Plant Nutrition, Hohenheim University, Stuttgart, Germany (May-June).
- 1986-1991 Research assistant in Multiple Cropping Center, Faculty of Agriculture, Chiang Mai University. Thailand.

Publications and papers:

- Lordkaew, S., Jamjod, S., Dell, B. and Rerkasem, B. 2006. Genotypic variation in responses to boron deficiency in maize. A paper presented at the RGJ Seminar Series XLIV: Plant Science Research for Agriculture, Social Research Institute, Chiang Mai University, Thailand, 1 September 2006 (Oral presentation).
- Lordkaew, S., Jamjod, S. Dell, B. and Rerkasem, B. 2005. Boron deficiency in maize. A paper presented at the 6th National Symposium on Grad-Research, Chulalongkorn University, Bangkok, Thailand, 13-14 October 2006 (Poster presentation).
- Lordkaew, S., Jamjod, S., Dell, B. and Rerkasem, B. 2005. Genotypic variation in responses to boron deficiency in maize. A paper presented at the 2005 Technical Meeting of the Senior Scholars' Projects in Field Crops. Hinsuay Namsai Hotel, Rayong, Thailand, 26-27 October 2005 (Oral presentation).
- Lordkaew, S., Jamjod, S. Dell, B. and Rerkasem, B. 2005. Boron deficiency in maize. A paper presented at the XV International Plant Nutrition Colloquium, Beijing

Conference Center, Beijing, The People's Republic of China, 14-19 September 2005 (Best poster presentation)

Lordkaew, S., Jamjod, S. Dell, B. and Rerkasem, B. 2005. Genotypic variation in responses to boron deficiency in maize (Oral presentation).

Lordkaew, S., Jamjod, S. Dell, B. and Rerkasem, B. 2004. Boron deficiency in maize. A paper presented in the 2004 Technical Meeting of the Senior Research Scholars' Project in Field Crop and the RGJ Seminar Series XXVIII Field Crops. The Imperial Phukaew Hill Resort, Khaokho, Petchaboon, Thailand. 6-7 May 2004 (Oral presentation).

Lordkaew, S., Jamjod, S. Chaiwong, U. and Rerkasem, B. 2003. Response to low Boron in maize and sorghum. A paper presented at 20th Pacific Science Congress, Sofitel Central Plaza Hotel, Bangkok, Thailand, 17-21 March 2003 (Poster presentation).
