ACKNOWLEDGEMENT	iii
ABSTRACT (IN THAI)	iv
ABSTRACT (IN ENGLISH)	vi
LIST OF TABLES	xi
LIST OF FIGURES	xv
ABBREVIATIONS	xvi
<b>CHAPTER 1 INTRODUCTION</b>	
1.1 Background, Setting and Statement of the Problem	1
1.2 Purposes of the study	4
1.3 Hypotheses of the study	4
1.4 Application advantages	4
1.5 Scope of the study	4
1.6 Conceptual Framework	6
1.7 Definition of terms	7
<b>CHAPTER 2 LITERATURE REVIEW</b>	
2.1 History and Background of dairy farming in Thailand and upper northern, Thailand	10
2.2 Situation of raw milk production in Thailand and upper northern, Thailand	14
2.3 Limitation and obstacle of occupation development of dairy farmer in Thailand	24
2.4 Concept and Theory about cooperative system	35

2.5	Concept and Theory of management	46
2.6	Concept and Theory of motivation	51
2.7	Concept and Theory concerning decision making process	56
2.8	Concept and Theory concerning occupation revolution and adaptation	61
2.9	Concept concerning development	66
2.10	Concept of participation	67
2.11	Associate research	71
<b>CHAPTER 3 METHODOLOGY</b>		
3.1	Research Methods	81
3.2	Population and Sampling	82
3.3	Variable and Measurement	89
3.3.1	Rating score of variables and action with data	94
3.4	Research Instrument	98
3.5	Collecting Data	99
3.6	Validity and Reliability of instruments	100
3.7	Data Analysis	101
<b>CHAPTER 4 RESULTS</b>		
4.1	Dairy cooperative's management process: Member-level	
4.1.1	Personal basic factors, economical factors, social factors and dairy farming operation factors of dairy farmer in Upper Northern Thailand	106
4.1.2	Factors influencing to dairy cooperative's management process in considering to representative of dairy farmers in Upper Northern Thailand	281
4.2	Dairy cooperative's management process: Organization-level	
4.2.1	Analysis of status of dairy cooperative and milk factories in Upper Northern Thailand	310

4.2.2 Dairy cooperative's management process in considering to representative of dairy farmer who concerning promotion of dairy farming in Upper Northern Thailand	328
4.3 Dairy cooperative's management process in Upper Northern Thailand	356
4.4 Suggestion for dairy cooperative's management process in Upper Northern Thailand	367
<b>CHAPTER 5 CONCLUSION</b>	
5.1 Conclusion	385
5.2 Discussion	393
5.3 Suggestion towards proper and efficient management process of dairy cooperatives in Upper Northern Thailand	401
5.4 Suggestion from this study	408
5.5 Suggestion for further study	413
<b>REFERENCES</b>	414
<b>APPENDICES</b>	
APPENDIX A History of dairy cooperatives joined in focus group discussion	427
APPENDIX B Research Questionnaire	432
APPENDIX C Guideline of questions for focus group discussion	449
APPENDIX D Application for Operative training (SWOT Analysis)	452
APPENDIX E The in-depth interview question	459
<b>CURRICULUM VITAE</b>	463

## LIST OF TABLES

<b>Table</b>		<b>Page</b>
2.1	Number of dairy cattle and farmer of Thailand since 2005 - 2008.	14
2.2	Rate of milk production, production cost, purchase price and reward from raw milk selling since 2001-2008.	15
2.3	Raw milk demand, raw milk production and ready to drink milk consuming rate since 2001 – 2009	16
3.1	Summarizes of sampling of dairy farmers who continue doing dairy farming from dairy farming size in upper northern Thailand.	84
3.2	Summarizes of sampling of dairy farmers who quit dairy farming in upper northern Thailand.	86
3.3	Summarizes of sampling dairy cooperative for focus group discussion	87
<b>Group 1: Farmers who still earn a living by dairy farming and are member of dairy cooperative</b>		
4.1	Gender	106
4.2	Age	107
4.3	Level of education	109
4.4	Experience in dairy farming	110
4.5	Period on membership of dairy cooperative	111
4.6	Knowledge in dairy farming	114
4.7	Level of practice in dairy farming	121
4.8	Number of family members (include farmer)	123
4.9	Number of labours for dairy farming	124
4.10	Total Outstanding debts (approximately)	126
4.11	Occupying in dairy cooperative position	127
4.12	Occupying in social position	128
4.13	Level of participation in various activities of dairy cooperative	131

4.14	Acquire information about dairy farming from various media (number of time per month)	134
4.15	Communication with officer concerning dairy farming (number of time per month)	136
4.16	Size of dairy cooperative	137
4.17	Style of dairy farming	138
4.18	Dairy farming standard recognized from DLD	139
4.19	Number of dairy replacement (calf, growing cattle, heifer) in farm	140
4.20	Number of dairy (milking dairy and dry dairy) in farm	141
4.21	Capability on milk production of dairy (kg. / dairy / day)	142
4.22	Purchase price of raw milk (Baht / kg.)	144
4.23	Farm land owning for dairy farming	145
4.24	Size of area for planting feeding plant	146
4.25	Cognizance in operating of dairy cooperative	149
4.26	Satisfaction to dairy cooperative operation	154
4.27	Satisfaction in operation of government officer concerning dairy farming	158
4.28	Satisfaction in earn a living by dairy farming	162
4.29	Opinion of dairy farmer in career succession of their child	164
4.30	Problems and obstacle in dairy farming	168
4.31	Level of problems and obstacle in dairy farming (physical aspect)	172
4.32	Level of problem and obstacle in dairy farming (economic aspect)	175
4.33	Level of problem and obstacle in dairy farming (social aspect)	178
4.34	Level of problem and obstacle in dairy farming (farm operating aspect)	181
4.35	The decision to continue doing dairy farming in the future	182
4.36	Farmers' need any assistance in dairy farming	183
4.37	Farmers' need any training from agency concerning dairy farming	184
4.38	The comparison of farmers' personal basic factors, economic factors, social factors and farm operating factors which continue doing dairy farming from dairy cooperative size in upper northern Thailand	185
4.39	Mean and standard deviation of variables that are applied for Stepwise Multiple Regression Analysis	192

4.40	Relation between variables that are analyzed by Stepwise Multiple Regression Analysis when the decision to continue doing dairy farm of the farmers serves as a dependent variable (Y)	194
4.41	Stepwise Multiple Regression Analysis of factors influencing to dairy farmers' decision to continue doing dairy farming	199
<b>Group 2: Farmers who quit dairy farming and used to be a member of the dairy cooperative</b>		
4.42	Gender	200
4.43	Age	201
4.44	Level of education	203
4.45	Experience in dairy farming	204
4.46	Christian Era which dairy farmer decided quit dairy farming	205
4.47	Knowledge in dairy farming	207
4.48	Level of practice in dairy farming	214
4.49	Number of family members (include farmer)	216
4.50	Number of labours for dairy farming	217
4.51	Feature of dairy farming in the past	218
4.52	Total Outstanding debts (after decided quit dairy farming)	219
4.53	Occupying in dairy cooperative position	220
4.54	Occupying in social position	221
4.55	Level of participation in various activities of dairy cooperative	224
4.56	Acquire information about dairy farming from various medias (number of time per month)	227
4.57	Communication with officer concerning dairy farming (number of time per month)	229
4.58	Size of dairy cooperative	231
4.59	Style of dairy farming	231
4.60	Number of dairy replacement (calf, growing cattle, heifer) in farm	232
4.61	Number of dairy (milking dairy and dry dairy) in farm	234
4.62	Capability on milk production of dairy (kg. / dairy / day)	235
4.63	Purchase price of raw milk (Baht / kg.)	236

4.64	Farm land owning for dairy farming	238
4.65	Size of area for pasture	239
4.66	Cognizance in operating of dairy cooperative	242
4.67	Satisfaction to dairy cooperative operation	247
4.68	Satisfaction in operation of government officer concerning dairy farming	251
4.69	Satisfaction in earn a living by dairy farming	255
4.70	Problems and obstacle in dairy farming	260
4.71	Level of problem and obstacle in dairy farming (physical aspect)	264
4.72	Level of problem and obstacle in dairy farming (economic aspect)	267
4.73	Level of problem and obstacle in dairy farming (social aspect)	270
4.74	Level of problem and obstacle in dairy farming (farm operating aspect)	273
4.75	The comparison of farmers' personal basic factors, economic factors, social factors and farm operating factors which quit dairy farming from dairy cooperative size in upper northern Thailand	274
4.76	Comparison of strength, weakness, opportunity and threat of dairy cooperative of upper northern Thailand	322
4.77	Comparison of strength, weakness, opportunity and threat of milk factories in upper northern Thailand	325
4.78	Problems and obstacles of management process of dairy cooperatives in upper northern Thailand	364
4.79	Suggestion to dairy cooperative's management process contributing to occupation development of dairy farmers in upper northern Thailand in considering to representative of dairy farmers who concerning promotion of dairy farming	366

## LIST OF FIGURES

<b>Figure</b>		<b>Page</b>
2.1	Present dairy industry structure of Thailand	17
2.2	Pattern of present dairy industry management	18
2.3	Conceptual of proceeding to solve efficient farm management and raw milk production in upper northern Thailand	34
2.4	Sample of Dairy Cooperative management structure	44
2.5	Management Process comprise of 4 related duties	49
2.6	Motivation Process	52
2.7	Hierarchy Needs of Motivation theory of Maslow	55
2.8	Pattern of Decision Making Process	58
2.9	Variety emotion state which are reason for adaptation	63
4.1	Factors influencing to dairy cooperative's management process in the considering to representative of dairy farmers in upper northern Thailand	309
4.2	Process of planning of large and medium dairy cooperatives	329
4.3	Example of organizational structure of large and medium dairy cooperatives	336
4.4	Example of organizational structure of a small dairy cooperative	337
4.5	Suggestions toward proper and effective management process of dairy cooperatives in upper northern Thailand	384
5.1	Application of sufficiency economy philosophy	412

## ABBREVIATIONS AND SYMBOLS

The researcher determined the abbreviations and symbols in this study as follow:

Abbreviation and Symbol	Mean
1. LDC	Large Dairy Cooperative
2. MDC	Medium Dairy Cooperative
3. SDC	Small Dairy Cooperative
4. DPO	Dairy Farming Promotion Organization of Thailand
5. DLD	Department of Live stock Development
6. CPD	Cooperative Promotion Department
7. CAD	Cooperative Auditing Department
8. GMP	Good Manufacturing Practice
9. No.	Number or Frequency
10. S.D.	Standard Deviation
11. $\bar{X}$	Arithmetic mean
12. %	Percentage
