Acknowledgements

I am greatly pleased to extend profound gratitude to people and institutions that have helped in the completion of my study at MCC, Chiang Mai University.

First and foremost, I would like to express my sincere appreciation and respect to Asst. Prof. Dr. Chanchai Sangchyoswat, my academic advisor as well as chairperson of my thesis academic committee for his continuous and immeasurable guidance, constructive comments, and genuine help not only in academic field but also to solve other problems that came up during the course of the study.

I am also equally grateful to other members of academic advisory committee, Lect. Dr. Methi Ekasingh who teaches me two courses of Spatial Information System for Agricultural Resource Management that make up my thesis and also who instructs me in the development of thesis proposal, Asst. Prof. Dr. Attachai Jintrawet and Asst. Prof. Dr. Jitti Pinthong for their invaluable suggestions and constructive comments.

All lecturers and staffs of Multiple Cropping Center (MCC), Faculty of Agriculture, Chiang Mai University whose co-operation, sharing knowledge, experience and services during the study period help to complete my study successfully, especially Arjan. Phrek Gypmantasiri, Chairman of Agricultural Systems Program, Assoc. Prof. Dr. Benchaphun Ekasingh, Assoc. Prof. Dr. Sakda Jongkaewwattana, Dr. Sunthon Buranawiriyakul, Dr. Kamol Ngamsomsuke, Assoc. Prof. Dr. Tavachai Radanachales, Assoc. Prof. Dr. Aree Wbionpongse and Khun Woraluch. I am sincerely pleased to express thanks and gratitude to all of them. Special thanks go to the Ford Foundation for providing financial support for my graduate work.

It is greatly pleased to thank to Assoc. Prof. Dr. Tu Quang Hien, Rector of Thai Nguyen University of Agriculture and Forestry, Dr. Dang Kim Vui, Vice Rector of Thai Nguyen University of Agriculture and Forestry for their support and encouragement. My hearty thank and respect go to Dr. Hoang Van Phu, Vice Head of Department of Education, Training and International Relation Affairs, Thai Nguyen University who introduced and encouraged me to study at MCC, Chiang Mai University. Special respect extends to Dr. Nguyen Ngoc Nong, Dean of Faculty of Land Administration and Dr. Luan Thi Dep, Vice Dean of Faculty of Crop Science, Thai Nguyen University of Agriculture and Forestry for their letters of recommendation for my graduate study at Chiang Mai University.

Special thanks go to Dr. Tran Van Dien, General Secretary of Protected Area Resource Conservation (PARC) project in Babe district who provide me land use, elevation maps and other social and economic data and survey reports serving my study. Thanks go to Mr. Hoa, Head of Land Database Management Division for providing me soil type map of Babe district, Mr. Tuan, Mr. Thanh and Ms. Huong for their helps in copying the elevation and land use maps on CD disk. Special appreciation goes to Mr. Chalernpol for his help in solving computer problems, Ms. Oa for her held in editing the contour line map.

I am very much delighted to pay thanks for the warm and cordial friendship provided by all AGS students, Mr. Nguyen Duy Phuong, my roommate, and my classmates, namely, Mr. Nguyen Chi Trung, Mr. Do Ngoc Sy, Mr. Do Quang Giam, Mr. Le Trung Nhan, Mr. Truong Quang Hoang, Ms. Nguyen Thi Minh Chau, Ms. Trinh Thi Tien, Ms. Nguyen Thi Chuc, Mr. Bui Tuan, Mr. Utt Autchariyamontree, Mr. Dorjee, Mr. Khampheng Mounmeuangxam, Mr. Somsamout Phongsavath, Mr. Thongsamout

Phoummasone, Mr. Pech Sithan, Ms. Deunram Borgnem, Ms. Maleetar Nimnuan. Many thanks go to overseas Vietnamese for sharing joyful moments.

Finally, special gratitude belongs to my father (Duong Tien Cu), my mother (Dao Thi Nam), my elder sisters, younger brother and younger sister whose support and encouragement led me to complete this study.

Duong Dang Khoi
