There are many people to whom I wish to express my profound thanks for their invaluable help, contribution, sharing, and sacrificing their time to my overall experiences during my graduate studies for M.S. in Agricultural Systems at Chiang Mai University.

I would like to express my appreciation and gratitude to Ajarn Lect. Phrek Gypmantasiri my academic advisor, encouragement and support throughout my entire study program with invaluable suggestions.

My deepest gratitude and profound appreciation go to Ajarn Prof. Dr. Tavatchai Radanachaless, my advisor as well as the chairperson of thesis committee for his generous guidance and invaluable suggestions.

Grateful thanks and respect are also extended to Ajarn Assoc. Prof. Dr. Anan Polthanee and Ajarn Lect. Dr. Kamol Ngamgsomsuk, members of the thesis committee, for their kind idea, constructive comments and suggestions.

I wish to record my grateful thanks and appreciation to all lecturers, academic and administrative staff of Agricultural Systems Program for sharing their knowledge, experience and cordial support during my study.

Extremely great thanks go to the Ford Foundation for its financial support throughout my graduate study and thesis research.

My thanks are also expressed to the leaders and my colleagues of Mekong Delta Farming System Research and Development Institution of Can Tho University for their kind helps.

I thank very much farmers in Dai An village in Tra Cu district for their cooperation in my interviews for my thesis.

I would like to thank all my 10 classmates (Miss: Chanapa Prommanon; Miss: Wannaporn Kasemsri; Miss: Wanvilai Chulaphan; Miss: Woralak Wangwiwat; Miss: Nguyen Ngoc Thy; Mr. Tayan Raj Gurung; Mr. Jenkit Rangsichamras; Mr. Le Truong Giang; Mr. Ngo Viet Cuong and Mr. Rasmey Hay), all Agricultural Systems students and AGS friends for their friendship and kindness that shared an idea and gave moral support for each other.

Finally, and most of all, I owe my deepest thanks to my respectful parents (Vo Minh Dan and Le Thi Kim Dung), my parents-in-laws (Pham Van Be and Nguyen Thi Nhuom) for sacrificing their time, love, encouragement and supporting my educational advancement. I am blessed with love, understanding, encouragement of my wife, Pham Thi Phuong Thuy, who is my great source of inspiration and dedication. Thanks are also due to my elder brothers, sister, sister-in-laws and brother-in-laws for their encouragements and their help.
