

Curriculum vitae

Name: Miss Sarita Yoopum
Birth: 24 May 1975, Sukhothai, Thailand

Academic record:

Qualification	Area of concentration	Year	Institution
Ph.D. candidate	Plant breeding†	1999- present‡	Chiang Mai University
M.S. (Agric.)	Agronomy	1999	Chiang Mai University
B.Sc. (Agric.)	Agronomy	1997	Chiang Mai University
High school		1993	Udomdarunee School, Sukhothai

† Thesis title “Inheritance of *Aspergillus flavus* resistance in groundnut”

‡ Examination expected November 2004.

Other training:

- 2003 Completed study in the “Training Course for Crop Diseases & Pest Control Through Bio-technical Breeding and Biodiversity” at Yunnan Agricultural University, Kunming, People’s Republic of China (1st - 15th December 2003).
- 2004 Attended lab work (on determining the diversity of *Aspergillus flavus* in groundnut seed from Thailand and Tanzania by PCR technique) at University of Dar Es salaam, Dar Es salaam, Tanzania (March-May 2004).

Scholarships:

- Ph.D. Teachers Development scholarship for Burapha University, IT campus at Sakaew from Ministry of University Affairs (1999-2002)
- Supporting Postgraduate Scholarship of Graduate School, Chiang Mai University (2002)
- Research scholarship from Ministry of University Affairs (2003)

Publications and papers:

- Sarita Yoopum and Suthat Julsrigival. 2001. Analysis of genotypes \times environment interaction in adzuki bean (*Vigna angularis* [Wild] Ohwi and Ohashi). *Saranaree J. Sci. Technol.* 8 (4): 206–211.
- Yoopum S., D. Karladee and S. Srichuwong. 2002. Determining Colonization of *Aspergillus flavus* in Groundnut Using Aniline Blue Fluorescence and Hematoxylin Staining. Proceeding of the 3rd National Symposium on Graduate Research 18-19 July 2002, Suranaree University of Technology, Nakhon Ratchasima, Thailand. pp. 553-554.
- Sarita Yoopum, Dumnern Karladee, Sansanee Jamjod and Sombat Srichuwong. 2003. Calcium and Tannins in Seed Coat in Relation to Resistance to *Aspergillus flsvus* in Groundnut. Proceeding of Biothailand 2003 Technology for Life 17-20 July 2003, Pattaya Exhibition and Convention Hall, Pattaya, Thailand.

Sarita Yoopum, Dumnern Karladee, Sansanee Jamjod and Sombat Srichuwong. 2002.

Post harvest Resistance to *Aspergillus flavus* in Groundnut in Relation to Calcium and Tannins in Seed coat. A paper presented at 1st Seminar of Agriculture Faculty, Chiang Mai University, 27 June 2003. Faculty of Agriculture, Chiang Mai University, Thailand.

Sarita Yoopum, Dumnern Karladee, Sansanee Jamjod and Sombat Srichuwong. 2004.

Evaluation of groundnut genotypes with pre-harvest and post-harvest resistance to infection by *Aspergillus flavus*. A paper presented at the 2004 Technical Meeting of the Senior Research Scholars' Project in Field Crop and the RGJ Seminar Series XXVIII : Field Crops, 6-7 May 2004, The Imperial Phukaew Hill Resort, Khaokho, Petchaboon, Thailand.

Present Address Burapha University, IT campus at Sakaew. Sakaew,
Thailand, 27160
