ACKNOWLEDGEMENT

I wish to acknowledge the invaluable support, contributions, suggestions and guidance from several people and institutions that contribute to the completion of my study at the Chiang Mai University in Thailand. As the author, I would like to express my deepest gratitude, highest appreciation and sincere thanks to following individuals as follows:

To my thesis committee, I would like to express very special thanks to Dr. Budsara Limmirankul, my academic advisor, who kindly devotes her intellectual and academic guidance that steers my proposal writing and thesis work. Also I would like to thank Assoc. Prof. Dr. Tavatchai Radanachaless, a committee member who offers opportunities to discuss my research with him and provides some guiding questions before I went to do my field research. Moreover, they took their valuable time to visit my field site and offered suggestions related to data collection, research implication, etc. Special thanks go to Ajarn Phrek Gypmantasiri, an external committee member with his challenging and valuable comments regarding my research results, encouragement and his assistance which leads to a successful completion of this thesis.

At the Multiple Cropping Center (MCC), I would like to thank all respectful professors and lecturers; Assoc. Prof. Dr. Benchaphun Ekasingh, Assoc. Prof. Dr. Attachai Jintrawet, Dr. Methi Ekasingh, Assist. Prof. Dr. Thaworn Onpraphai, Dr. Kamol Ngamsomsuke, and Dr. Jirawan Kitchaicharoen. They all provide widen my perspective, share knowledge and experiences and encouragement. I am thankful to Khun O (Ms. Chatnapa) and Khun Nim (Ms. Naruemon) for her kind helpfulness to all the students in every aspect on the administrative matter. These also go to all the student and staff at Multiple Cropping Center.

In Cambodia, I would like to convey my sincere gratitude to Ministry of Agriculture, Forestry and Fisheries for allowing me to pursue my study in Thailand. My personal appreciation to H.E. Chan Sarun, Minister of MAFF; H.E. It Nody, Under Secretary of State of MAFF; H.E. Koum Saron, Director General of MAFF; H.E. San Vanty, Under Secretary of State of MAFF; H.E. Kith Seng, Under Secretary

of MAFF; Mr. Tuot Saravuth, Director of International Cooperation, MAFF; Mr. Mak Soeun, Director of Agricultural of Extension; Ms. U Sirita, Deputy Director of DIC; Mr. Chuop Paris, Deputy Director of DIC without their supports I would not have availed this scholarship. My sincere appreciation goes to the Thailand International Cooperation Agency (TICA) for providing financial support for me to undertake of my study and Graduate School for support during my study at Chiang Mai University.

At Kandal province with regard to my field work, I am grateful to Mr. Bun Tuon Semona, Director Kandal Province Department of Agriculture, Forestry and Fisheries; Mr. Hor Sophal, Project Management of FAO-IPM and all officers in Kandal for their support, without their full support, it would be very difficult for me to conduct the field work so efficiently. Furthermore, I would like to thank Ms. Ma Somany, an IPM trainer, Ms. Thoun Vanna, an IPM, Mr. Sok Is, an IPM farmer trainer for their help with the interviews, and all the farmers in Samroung Thom commune, who kindly spend their precious times to share and give me information during my lengthy interviews and I am greatly indebted to keys information, informants, workshop participants with their honesty and generosity to see my work goes through smoothly.

Many thanks also go to my friendly classmates, Cambodian friends and other friends, particularly Rathi, Tharsini, Pasalath, Jurtamas, Khun. Yai (Ms. Chorpaka), Rasmey, Pouch, Sieng, Mountha, Layhout, Layheng, Karno, Chantha, Peou, Virak, Prem, Sokhom, Monyda, Sophea, Mr. Sovannara, Ms. Sothavy, Ms. So Sreymom, Ms. Phalla, Ms. Danina, Ms. Kolmony and others for sharing friendship and social environment during out stay in Chiang Mai. I would also like to extend thanks to Khun Kea (Ms. Yupaporn), who kindly helps translate my abstract into Thai language.

Finally, I would like to express my grateful thanks to my family. Special thanks go to my loving parents, Mr. Touch Lo and Ms. Nop Reth for inspiring me with love and care. I also have great thanks to my sister, brother and relatives for their loving support, encouragement and care during my study period.

Lo Sokha
