ACKNOWLEDGEMENT

This thesis was prepared with the help of many people. With profound gratitude and sincerity, I wish to acknowledge the following persons, without whose help, advice, cooperation, moral support and prayer, power work would not have been completed.

First of all, I would like to express my deepest appreciation, respect and gratitude to my chief advisor, Assoc. Prof. Dr. Renu Pinthong for her excellent guidance and encouragement of my studies.

I owe special gratitude to Asst. Prof. Dr. Jamnong Uthaibutra for valuable advice in this research.

I am extremely grateful to Dr. Srisuwan Naruenartwongsakul, Asst. Prof. Dr. Sittisin Bovonsombut and Asst. Prof. Dr. Aphirak Phianmongkhol for suggestions and discussion in this research.

I am most grateful to the staff in the Department of Food Science and Technology, Faculty of Agro-Industry, Chiang Mai University.

Deepest appreciation is extended to the staff of the labor unit of Chiang Mai Rajabhat University for their kind assistance.

I also wish to express my thanks to all my beloved friends for their special support, encouragement and unforgettable friendship.

Finally, my special gratefulness is to my family for their love, understanding, support and encouragement throughout of my life.
