ACKNOWLEDGEMENT

I would like to acknowledge the McCormick Hospital on providing good opportunity and scholarship for my graduate study. This grant highly supported my dissertation and new knowledge.

My deeply appreciation give for my advisor Dr.Ubon Pirunsan. I would like to give the gratefully thanks for her kindly advices and excellent assistance. She always gives me the wonderful encouragement to pass through many complicated managements on my thesis. I really appreciate her help and I also impress her with the depth and range of her knowledge. Furthermore, her sense of humor made me enjoyable to work on thesis study throughout the process.

I would like to give deeply thanks to Dr.Aatit Paungmali and Ajarn Patraporn Sitolertpisan for their excellent advices and practical guideline all my thesis process.

I would like to give many thanks to Miss Rungnapa Punyoung for helping in data collection.

I wish to express my thanks to Mr.Chanamit Sangpin and all staff in McCormick Hospital for their help and lovely friendships.

I would like to give sincere thanks to Dr.Pornratshanee Weerapong and Ms.Wantanee Dancharoenruk for thesis approval.

I also extend my thanks to my fiance'e , Miss Wachira Chomphusri for her warm encouragement and take care of me during study program. She always cheers me up and makes me feel like a hero to fulfill this mission.

All in all, I would like to give deeply grateful thanks to my family for their love, support, understanding, and encouragement for all achievements in my life.
