ACKNOWLEDGEMENT

I would like to express my sincere appreciation and grateful thank to my thesis advisor, Assoc Prof. Jonjin Ratanapinunchai for her valuable guidance and encourage me throughout this thesis.

I would like to express a great thank to Asst. Prof. Somporn Onlaor, Lect. Pisak Chinchai and Asst. Prof. Vimonwan Hiengkaew to their valuable suggestion and helpful advice.

I would also like to thank my friends for helping and facilitating in the data collection. Especially, I would like to express a great thank to all participates who willing to participate at the beginning to the end of my research.

Finally, I would like to give the special appreciation to my loving parents who stood by my side throughout my graduate career and has helped me strive to do my best and maintain a positive attitude during trying times.

Surachart Suksriwan
