The logo of Chiang Mai University is a circular emblem. In the center is an elephant facing left, with a large, stylized, multi-pointed flame or sunburst above its head. The emblem is surrounded by Thai text at the top and the year '1964' at the bottom. The word 'CHANGMAI' is written in English across the bottom of the circle.

Acknowledgements

I would like to express grateful thanks for Professor Dr. Peter H. Calkins, the thesis advisor, who has given the guidance for both data analysis and writing thesis. His patience and kind encouragement meant a great deal to me. I would like to thank the Associate Professor Dr. Songsak Sriboonchitta with his warmly encouragement and helps to me for both study and life in Thailand.

I would like to thank Professor Dr. David Roland-Holst for having provided me with research funds for building the Yunnan Social Accounting Matrix 2002. My thanks are also extended to Mr. Fredrich Kahrl, the PhD student in the University of California, the supervisor for building the SAM, who instructed the SAM building and share his primary data.

I wish to thank Associate Prof. Dr. Anchalee Jengjalern, Prof. Calkins, Lecturer Dr. Daniel Schoch, and Assistant Professor Dr. Supawat Rungfuriyawipon for having been in the examining committee and given useful suggestions leading to the success of thesis.

I would like to thanks Prof. Calkins and Dr. Daniel for helping me to polish my English, and Ms. Thanchanok, the PhD student in the faculty, for translating the abstract into Thai language

Finally, I would like to thank the Faculty of Economics, Chiang Mai University to support me for exempting the foreign student fee 80,000 Baht and I would like to thank administrative staffs in the faculty who have keep giving me warmly helps during the thesis writing.
