Acknowledgements

This thesis would not have been possible unless the supporting of faculty's staff, friends, family and especially my supervisor and co-supervisor.

I owe my deepest gratitude to Lect. Dr. PathairatPastpipatkul that he has made available his support in a number of ways. He was the one who advised, encouraged, recommended and supported me to do this thesis. This thesis would absolutely not be done without him. I also am grateful to Lect. Dr. ChaiwatNimanussornkul, my co-supervisor for his advises and recommendations about my thesis. Moreover I also would like to thank Lect. Dr. ManojPotapohn, my advisor who always gives many great advises to me for study in this program.

It is an honor to me for having Asst. Prof. Dr. RoengchaiTansuchart as my chairperson, I am really appreciated for his time and consideration.

I would like to thank the faculty's bilingual program staffs for their patience to me, for editing and checking all of my formats in this thesis and for those paper works they had been doing for me.

Thanks for my mother and my brother who always stand by me.
