Acknowledgement

This thesis cannot be accomplished without the kind and sincere supports of many wonderful people. I hereby would like to express my thanks and appreciation to all who have assisted me.

My deepest gratitude goes first and foremost to Lect.Dr. Prapatchon Jariyapan, my supervisor, who has provided his invaluable guidance and encouragement throughout every stage of my thesis. Without his patient instructions, insightful criticism and expert guidance, this thesis would not have reached its present form.

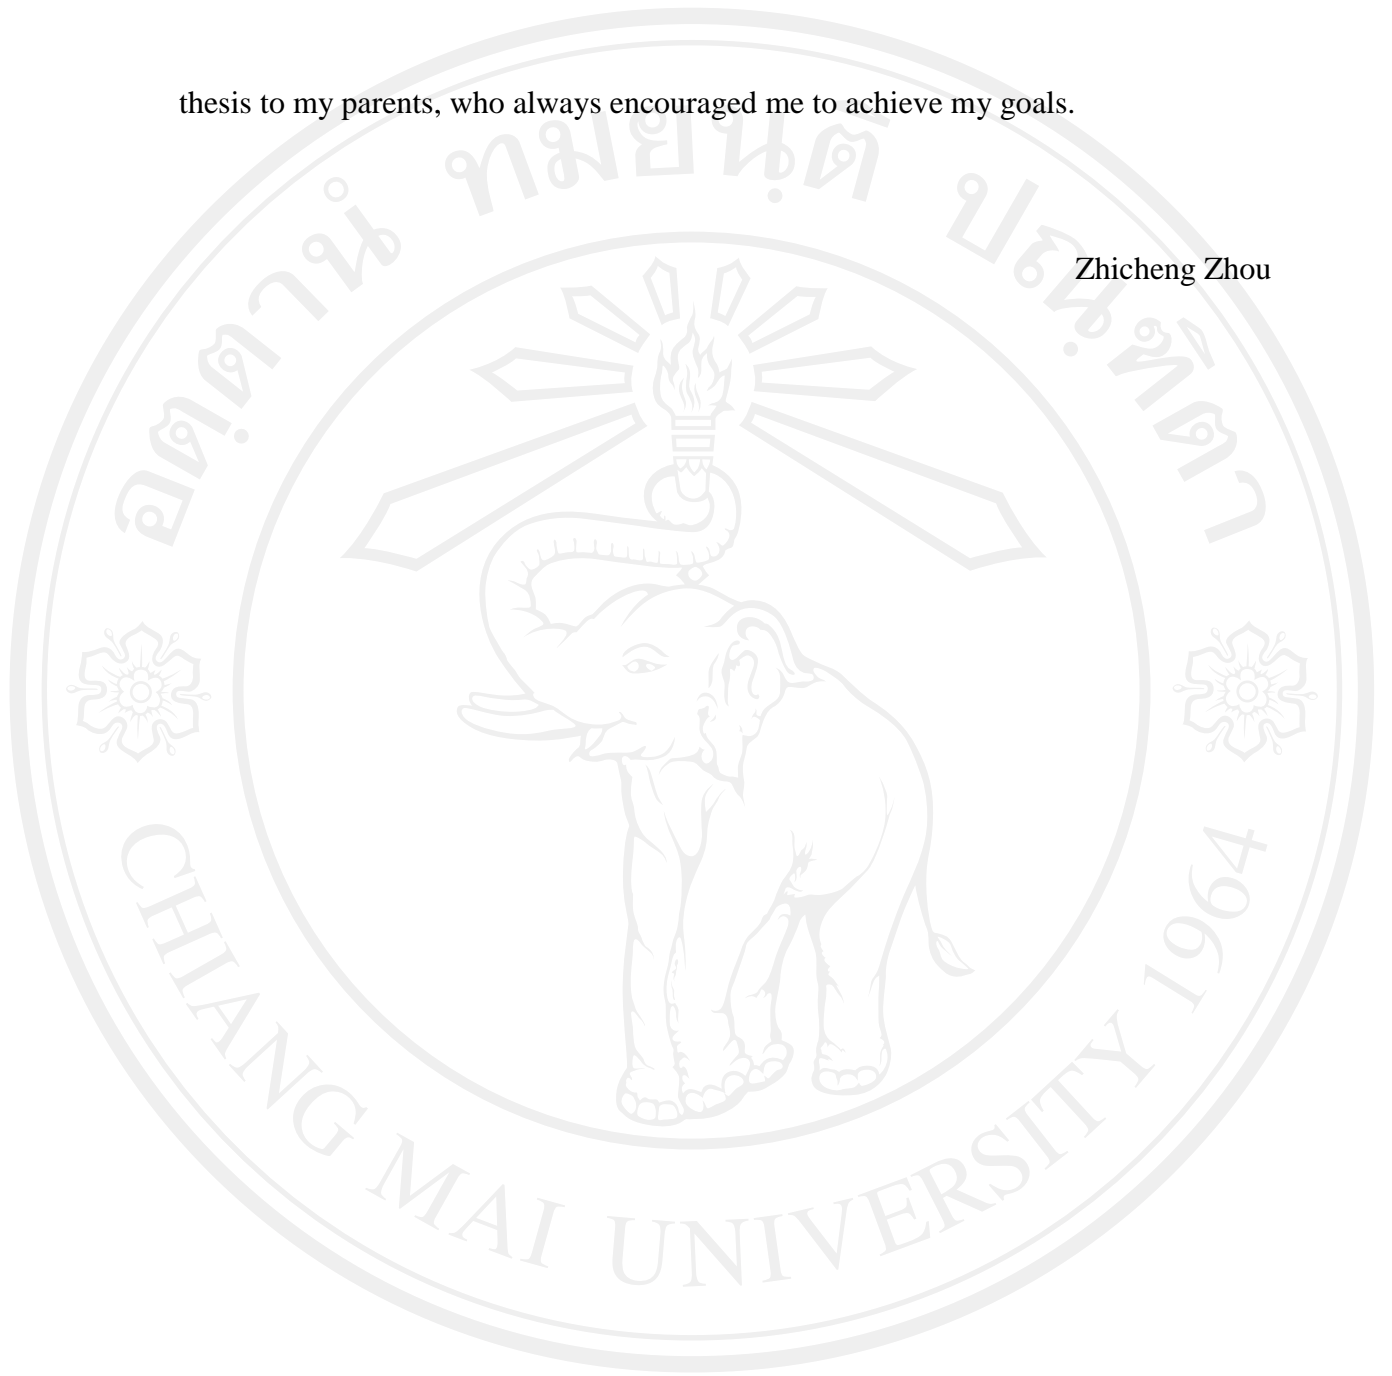

Moreover, I kindly would like to express my appreciation and gratefulness to Asst. Prof. Dr. Piyaluk Buddhawongsa for her editing which made my thesis much easier to read. I would also like to thank Lect.Dr. Chaiwat Nimanussornkul for his valuable comments and advice.

Furthermore, I also own my sincere gratitude to all the professors in the Faculty of Economics who devote enlightening lectures, and I have benefited a lot from them. Special thanks should go to my friends and classmates for their kindness and helpfulness over the period of study.

Lastly, I would truly like to thank my beloved parents and my sister for their love and greatest support me to overcome all difficult time in my life. I dedicate this

thesis to my parents, who always encouraged me to achieve my goals.
