ACKNOWLEDGEMENTS

I would like to acknowledge the advice and guidance of my advisor, Asst.Prof.Dr. Pitipong Yodmongkol. I also thank Dr. Ouyporn Tonmukayakul, Asso.Prof.Dr. Patraporn Tungpunkom, Asst.Prof.Dr. Anchalee Jengjalern, Dr. Teeraporn Saehaew, Dr. Pradorn Sureephong and Dr.Vichote Pattaro for their guidance and suggestions, especially Asst.Prof.Dr. Nopasit Chakpitak for all his advice and encouragement without whose knowledge and assistance this study would not have been possible. I appreciate the Thai Health Promotion Foundation, International Health Policy Program, Thailand, and Center for Alcohol Studies for their financial support to carry out this project. I am heartily thankful to the director of San Pa Tong Hospital and San Pa Tong Police Station for providing relevant informations. I would also like to thank my father, N a t t h i y a K a y a i, my family members and the others who have sacrificed their time for supporting and encouraging me to pursue this study.

Thunyaporn Jaimung
