ACKNOWLEDGEMENTS

So many people have helped me in all kinds of ways, making this thesis possible. The researcher would like to take a moment to acknowledge them. My advisors, Dr. Budsara Limmirunkul, Prof. Dr. Pongsak Angkasith and Assoc. Prof. Dr. Suraphol Sreshthaputra did a lot to help me in laying out the research, questions I had throughout the research, and spent many hours revising my writing. A special thanks to Thesis advisor from Oklahoma State University and staff, Dr. James P. Key, Dr. Robert Terry. And Assoc. Prof. Dr. Arnat Tancho at Maejo University the advisory committee chairperson, and Dr. Laxmi Worachai who kindly editing English grammar. My parents, Mr. Sophon and Mrs. Amorn Pintahukas have also been incredibly supportive in my studying, motivating me to complete my research in record time. Finally, the researcher would like to express deepest gratitude to beloved younger brother, Mr. Santi Pintahukas and Mr. Varoon Raksakulkarn who consistently encouraged and empower to support for success.
