I would like to thank my great advisor Dr. Tri Indrarini Wirjantoro who gave me an opportunity to continue my study, suggested good discussions and comments in my experiments and presented other supports during the writing of this IS thesis. Without her support, suggestion and correction, this IS would not be completed.

I would like to thank to the examiner committee of this IS, Assistant Professor Pranee Warasawas from Maejo University and Assistant Professor Dr. Aphirak Phianmongkhol from Department of Food Science and Technology, Chiang Mai university who gave me a mindful examination and suggestion.

I would like to thank all my friends for their supports and advices. A special thank for Ms. Supunna Namdoem and Mr. Pompot Phongsomboon for giving me many helpful suggestions and encouragement. I also like to thank all the graduate students in my department who are friendly and benevolent.

Finally, I would give my gratitude to my family, especially to my father, Thutat Kritsawan, and my mother, Kanda Kritsawan, who gave me encouragement during my Master study, provided me with all the financial support that I needed and always give me a warm feeling.
