## ACKNOWLEDGEMENT

I would like to express profound appreciation and deep gratitude to Dr. Indrarini Wirjantoro, my advisor, Department of Food Science and Technology, Faculty of Agro-Industry, Chiang Mai University, for her kindness, invaluable advices, generous support, constantly encouraged me throughout all this study, and also educated me to possess scientific mind of thinking and problem solving. This study can be accomplished with her kindness understanding and assistance.

Similarly, I am also grateful to Asst. Prof. Aphirak Phianmongkol, Department of Food Science and Technology, Faculty of Agro-Industry, Chiang Mai University, for his valuable advice and suggestions on this study.

I would like to thank Department of Food Science and Technology, Faculty of Agro-Industry, Chiang Mai University, for equipment support and facilities. I would also like to thank laboratory officers for their help, knowledge and kindness. Especially, Mr. Udomdate for provision of laboratory facilities and convenience.

I would like to thank Mr. Tawatchai Miss. Uthaiwan for their help in techniques, suggestions, and warm relationships during my graduate study.

Finally, I am deeply indebted to my parents for their love and encouragement to overcome every difficulty and understanding during the entire period of this study.
